

# 2n8 Rules

0. This is not a rule, this is a prerequisite:

Always be respectful of others, don't participate in world chat drama and don't insult others, even as a response. If someone bothers you in private contact any R4.

1. Read your private message and reply to R4 messages as soon as you can
2. Read the announcements. If you are offline for a period, catch up reading the announcements
3. Do not attack trucks from our own server
4. Do not attack alliances in the top 12. On our own server, attack only players without an alliance if possible.
5. Everybody must get close to the alliance to facilitate rallies and events.
6. Donate daily in alliance tech
7. We require members to **score at least 12 millions per week in the VS** (if not directed otherwise)
8. If you are absent or incapacitated from scoring points for a few days or more, you should warn R4s as soon as possible
9. **Wear a shield from Friday night to Sunday morning**

**Depending of the number and frequency of rule violations your membership to the alliance may be revoked.**
